

# Timing the Market

A commonly asked question is, "Is there a best time to put your home on the market?" The answer is, "Yes. It depends on your personal goals and the current market conditions."

Let's work together to meet your goals and ensure you get the greatest return on your investment. I can help:

- Assess how much your home is worth.
- Provide information on how long homes in your price range have been on the market.
- Prepare your home for showings... and for leasing.

Let's talk about your personal goals and current market conditions to determine when the time is right for you.
