

Why Windermere?

IT'S ABOUT RELATIONSHIPS.

In 1972, John Jacobi set out to change the real estate industry by putting relationships before sales quotas, with an emphasis on service to our clients and our community. Over 45 years later, this mission has helped grow Windermere into one of the largest independent real estate companies in the nation, with more than 300 offices and 6,000 agents throughout the Western U.S. and Mexico.

While the rental market has grown enormously in value and complexity over the years, our core values of relationships, community, collaboration, and professionalism have remained central to how we do business, and will continue to do so for generations to come.
